Table of Contents

An Analysis Study on Tearing Fracture at Bonded Interface of Tapered Double Cantilever Beam with 6° and 8° Using CFRP for Woven Type..... 1
Jae-Woong Park, Jae-Ung Cho

A Strength Property Study of Notched Tensile Specimen by Material due to the Existence or Non-existence of Crack and Hole 7
Jungho Lee, Jae-Ung Cho

A Study on Durability through Structural Analysis by Configuration of Torque Sensor Disk 15
Kye-Kwang Choi, Jae-Ung Cho
