Publication and Update

- Last day of October

Journal Aims

Our Journal provides a chance for academic and industry professionals to discuss recent progress in the area of child welfare promotion and management.

To bridge the gap of users who do not have access to major databases where one should pay for every downloaded article; this online publication platform is open to all readers as part of our commitment to global scientific society.

Journal Topics

The main topics include but will not be limited to: (Excellent surveying works, summary or introduction of new or fresh idea in these areas are welcome, too).

- Child Trauma
- Child Protection
- Child Welfare Training System
- Developing Integrated Behavioral health Services
- Quality Improvement Center on Differential Response
- Family Group Decision Making
- Family Care and School Care
- Improving the Mental Health
- Strong Communities for Children
- Training and Consultation
- Trauma Informed Practice
- Nutrition and Food Management
