

## **Editor-in-Chief of IJITBD**

**Jung Yoon Kim**

Gachon University, Korea

## **General Information of IJITBD**

### **Bibliographic Information**

Print ISSN: 2207-3507

Online ISSN: 2207-3515

Publisher: GV School Publication (*Global Vision School Publication*)

### **Contact Information**

**Global Vision School Publication**

Head Office: PO Box 5009, Sandy Bay TAS 7005, Australia

Email: journal@gvshcoolpub.org

### **Publication and Update**

Last day of May and December

### **Aim and Scope**

The International Journal of Internet of Things and Big Data (IJITBD) provides a chance for academic and industry professionals to discuss recent progress in the area of internet of things and big data.

To bridge the gap of users who do not have access to major databases where one should pay for every downloaded article; this online publication platform is open to all readers as part of our commitment to global scientific society.

### **Journal Topics**

The main topics include but will not be limited to: (Excellent surveying works, summary or introduction of new or fresh idea in these areas are welcome, too).

- Big Data Advanced researches
- Big Data Applications
- Big Data for Bioinformatics
