

Table of Contents

Detecting Drug-Drug Interaction (DDI) over the Social Media using Convolution Neural Network Deep Learning	1
<i>Kelechi Iwuorie and Sabah Mohammed</i>	
Descriptive Study on the Influence of Intermediation Methods Using Robots on the Improvement of Upper Extremity in Stroke Patients.....	13
<i>Youn-Bum Sung, Dae-Hwan Lee and Jung-Ho Lee</i>	
A Study on Backpropagation in Artificial Neural Networks.....	21
<i>Ch Sekhar and P Sai Meghana</i>	
Machine Learning Algorithms for Parkinson’s Disease Detection	29
<i>Ch Sekhar, M S Rao and D Bhattacharyya</i>
