Publication and Update

- Last day of April, August and December

Journal Aims

Our Journal provides a chance for academic and industry professionals to discuss recent progress in the area of advanced nursing education and research.

To bridge the gap of users who do not have access to major databases where one should pay for every downloaded article; this online publication platform is open to all readers as part of our commitment to global scientific society.

Journal Topics

The main topics include but will not be limited to: (Excellent surveying works, summary or introduction of new or fresh idea in these areas are welcome, too).

- Critical Care Nursing
- Geriatrics
- Health Diversity
- Mental Health and Psychiatric Nursing
- Nurse Career and Education
- Nurse Practitioners
- OB/GYN and Women's Health Nursing
- Pain Management
- Palliative Care
- Patient Safety
- Pediatrics/Neonatal Care Nursing
- Perioperative Nursing
